Confidence in Jesus' Power Over My Storms

Mark 4:35-41

Big Idea: I am confident that fearing Jesus leads to faith in Jesus

Three Biblical Truths:

1) Jesus doesn't always prevent storms in my life to protect me, but often leads me into storms to strengthen me (v. 35-38)

How to have faith in the storm:

a) Admit

b) Ask

c) Awe

2) Jesus's care for me is demonstrated not in preventing storms, but through His powerful presence with me amidst storms (v. 38-40)

3) When I fear Jesus over all, I don't have to fear anything else at all (v. 40-41)
