My Journey To Hope
Luke 1:26-38

Big idea: Hope is confidently trusting my unknown future to a known God

I live with hope when I trust:

1. God's sufficiency

God's grace is fully sufficient for me everyday:

- 1) God's position (v. 28, 38)
- 2) God's presence (v. 28, 35, 37)
- 3) God's promises (v. 30-33, 38)
- 4) God's plan (v. 30-38)
- 5) God's power (v. 35, 37)

Obediently following God's plan means:

- 1) I trust God's timing & provision more than my own understanding
- 2) I take the next step in faith without knowing all the details
- 3) I treasure my eternal reward more than my earthly comfort

2. God's sovereignty
