My Journey To Peace

Luke 1:5-25; 57-80

Big idea: I experience true peace when I change my focus from the how to the who

My path to peace:

1. Focus on God's character not my circumstances

5 Realities Of The Character of God:

- 1) God hears & answers my prayers
- 2) God is the source of my joy
- 3) God wants to do in me & through me more than I can imagine
- 4) God fulfills His promises
- 5) God saves me & sends me

2. Focus on God's ability not my inability
