“Angered by Grace”
Jonah 4

Big Idea: God graciously works to instill hearts of grace in His people.

3 check engine lights for my heart:

1. When I think I know better than God. (1-4)
2. When I want grace for myself, but judgment for others. (5-9)
3. When I don't share God's heart for the lost. (10-11)
